JUNE 2022

### Christopher Jefferson

*Founder & President of MWJC*

Business Consultant, Project Manager, and aspiring Filmmaker, Christopher founded Mysterious Ways JC with the vision of developing and supporting initiatives to change the world. As a resident of Jersey City, Christopher focuses most of his time in the community listening to those who feel unheard and forgotten about. MWJC is partnering with local organizations to provide Jersey City residents with the resources they need to thrive.

### Spring Cleaning Clothing Drive -May 2022-

Our Clothing Drive was a huge success!  
We collected over 80 bags of donations. Our  
partners, Triangle Park Community Center  
distributed donations to JC Community.

Thank you for your donations!

### COMING SOON!

We are creating a Resource Hub for the citizens of Jersey City to connect them to amazing organizations that can provide them with information and services needed. There will be an array of tools and media at your disposal, as well as live events that will be hosted to address the broader needs of the community. Not sure what you need? We can help! The Mysterious Ways Resource Hub will feature an online portal where the citizens of Jersey City can fill out a request form describing hurdles they are facing or areas of need and we will connect them directly to the people that can help them. Areas to be addressed will include but are not limited to: Mental Health, Food Insecurity, Job Training, Mentorship, Financial Literacy, Re-entry services, and much more. Be on the lookout for Mysterious Ways JC at your local community events as we will be reaching out to you, the public, to see what it is you are in need of most.
